Welcome to AVK Malaysia's Webshop

To create a Webshop-profile, please go to 'Create Account' in the top right corner and fill out the user-creation form. We will get back to you within 24 hours with your login-credentials and you are ready to go.

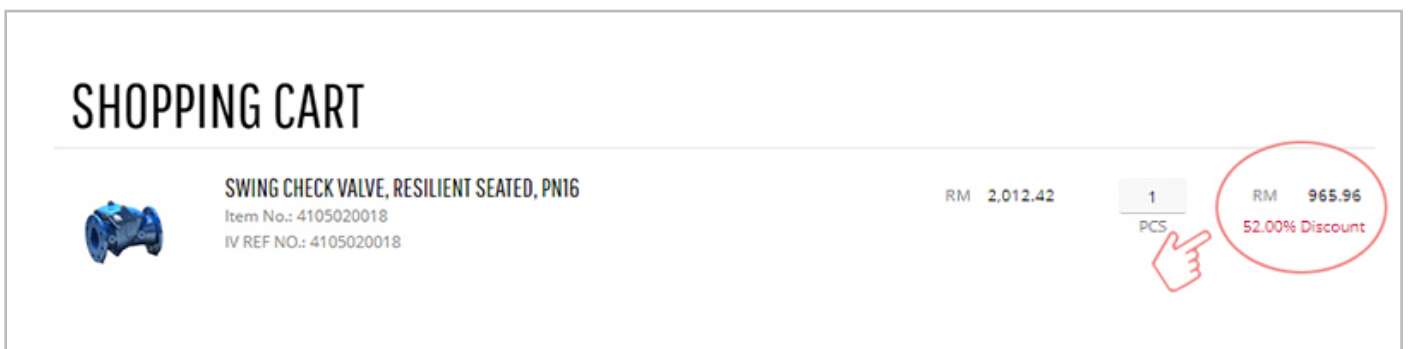

If you already have a user-profile on the AVK Malaysia Webshop, please go to the top right corner and click 'Login'. If you would like us to send you a new password, click 'Get New Password' on the login site.

How to browse our webshop catalogue

Important to note:

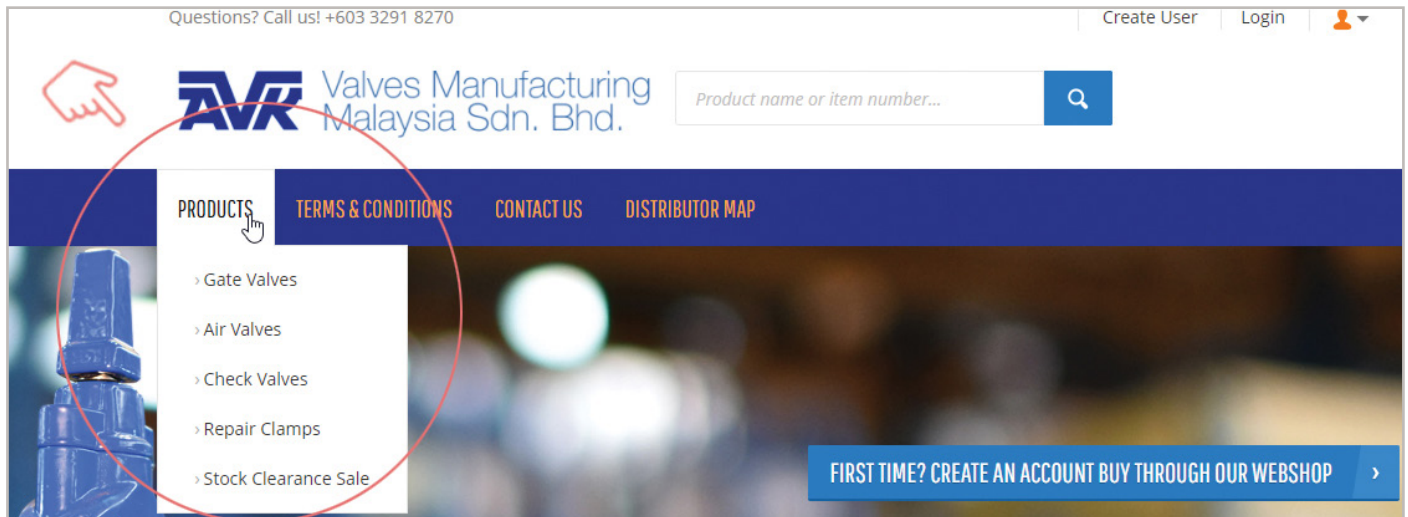

When you shop on this webshop, your discounted prices will show when you are checking out from your shopping-cart. This is when we will apply the discount agreed between your company and AVK Malaysia. When browsing products on the webshop, our standard online prices will show, without your applied discount.

Browsing

Go to 'Products' in the top-menu of the webshop and choose your product-category.

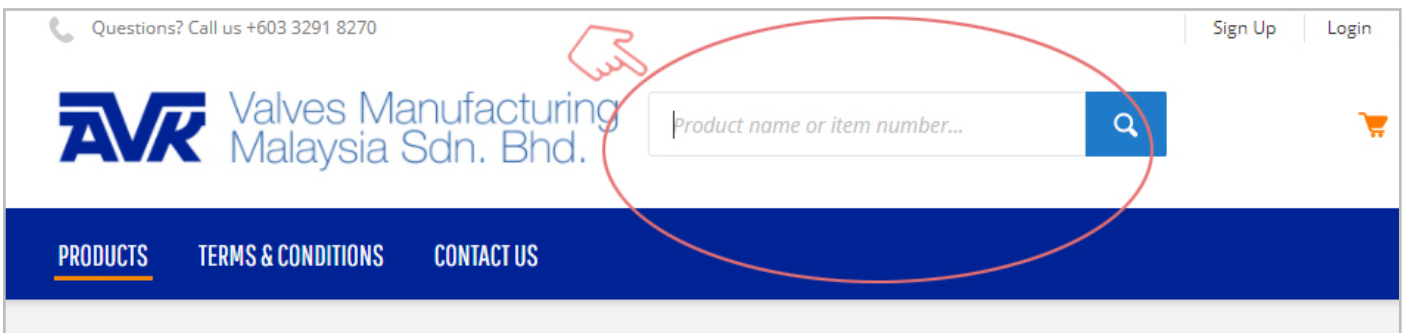

Within each category, you can apply filters to narrow down your search. You will find these filters on the left side of the screen - for example DN size, max operating pressure and many more.
